

GROUP SAVINGS PLUS®

Introducing Liberty Mutual Rewards: Auto, Home and Safety Related Product Discounts

You may already be aware of the auto and home insurance benefits that Liberty Mutual offers through NTEU. Through Liberty Mutual's *Group Savings Plus®* program, you can now take advantage of auto and home insurance at a discounted rate. As a voluntary benefit that allows you to save on insurance that most people require, *Group Savings Plus®* is a win-win solution for service and savings.

Now, Liberty Mutual is passing along additional savings on products and services geared toward safety and maintenance for auto, home and family. Through the *Liberty Mutual Rewards* program, NTEU members are able to enjoy great discounts on auto, family and home related products from well-known national companies like the ones listed below. And by taking advantage of this program, your premium may be reduced even further. For example, by purchasing a security system for a house or vehicle (at a discounted rate!), you may be able to reduce your home or car insurance premium. Just another way Liberty Mutual and NTEU are passing along valuable benefits to you.
