

Credentials – Review of Delegate List

Below is a list of all delegates eligible to attend the 2021 NTEU National Convention, which will be held virtually on August 11 and 12, 2021. The delegate list includes vote entitlement figures by chapter and individual delegate. The list also reflects instances in which a delegate carries a proxy for another NTEU chapter.

Please review this list carefully. It will be posted for ten (10) days, until July 22, 2021. During this ten-day period, questions or objections to the list may be brought to the attention of Heidi Tien, Chair of the Credentials Committee, by any delegate, the National President, or his designee. The Chair can be reached at ChairCredentials@nteu.org.

This will be your only opportunity as a delegate to object to the list. Because of this year's virtual format, the Chair will not read the list during normal Convention business.
