

U.S HOUSE OF REPRESENTATIVES

NTEU Voting Record -- 113th Congress, 2nd Session (2014)

House Vote 1 - S 540: Debt Limit Extension - Passage

February 11, 2014 - Passage of the bill that would suspend the current statutory limit on federal borrowing authority for one year, through March 15, 2015. This allowed the government to continue to make payments on government obligations. Failure to pass this bill could have resulted in nonpayment of federal employee wages.

Passed 221-201. NTEU Position: YES

House Vote 2 - HR 3193: Consumer Financial Protection Bureau Pay Cut - Passage

February 27, 2014 – Bill that would modify the structure and funding of the NTEU represented Consumer Financial Protection Bureau. It also would cut CFPB employees' salaries and benefits by as much as one-third.

Passed 232-182. NTEU Position: NO

House Vote 3 - H Con Res 96: Fiscal 2015 Budget Resolution - Republican Study Committee Substitute

April 10, 2014 – Substitute amendment that would propose requiring federal employees to contribute more to both their pensions and health benefits and reducing the federal workforce through attrition.

Rejected 133-291. NTEU Position: NO

House Vote 4 - H Con Res 96: Paul Ryan Fiscal 2015 Budget Resolution - Adoption

April 10, 2014 – Concurrent budget resolution that saves \$125 billion by requiring federal employees to contribute nearly 6% more towards retirement. It would limit new federal hiring, end the FERS supplement, and phase out the defined benefit annuity portion of the federal retirement systems, leaving only TSP. It would also make major cuts to agency funding.

Adopted 219-205. NTEU Position: NO

House Vote 5 - HR 4660: Fiscal 2015 Commerce-Justice-Science Appropriations - Fair Labor Standards

May 30, 2014 – Amendment that would bar the use of funds provided by the bill to enter into contracts with contractors in violation of fair labor standards.

Rejected 196-211. NTEU Position: YES

House Vote 6 - HR 4745: Fiscal 2015 Transportation-HUD Appropriations - Official Time Pay

June 10, 2014 – Amendment that would bar the use of funds provided by the bill to pay a federal

employee during any period when that employee is using "official time" to represent a union or its bargaining unit employees.

Rejected 167-254. NTEU Position: NO

House Vote 7 - HR 5016: Fiscal 2015 Financial Services/General Government

Appropriations - SEC Salaries and Expenses

July 15, 2014 – Amendment that would increase by \$300 million the amount provided by the bill for salaries and expenses of the NTEU represented Securities and Exchange Commission and increase the amount available for offsetting collections by the same amount, thereby making it deficit neutral.

Rejected in Committee of the Whole 184-235. NTEU Position: YES

House Vote 8 - HR 5016: Fiscal 2015 Financial Services/General Government

Appropriations – Living Wage For All Federal Employees

July 16, 2014 – Amendment that would bar the use of funds in the bill to pay any federal employee at rate of less than \$10.10 per hour.

Rejected 193-230. NTEU Position: YES

House Vote 9 - HR 5016: Fiscal 2015 Financial Services/General Government

Appropriations – Across the Board Reduction

July 16, 2014 – Amendment that would decrease funding by 1 percent for almost all agencies funded in the bill including the IRS and other Treasury bureaus (except Fiscal Service), the SEC, FCC, FEC, and the FLRA and the MSPB.

Rejected 168-256. NTEU Position: NO.

House Vote 10 - HR 5016: Fiscal 2015 Financial Services/General Government

Appropriations - Passage

July 16, 2014 – Bill that would provide fiscal 2015 funding for the Treasury Department, the SEC, OPM and other agencies. The original bill, as reported by the House Appropriations Committee, set funding for the IRS at \$341 million below FY 2014 levels and \$1.5 billion below the President's request. Amendments adopted by voice vote during consideration by the full House slashed funding for the IRS by an additional \$1.14 billion, primarily from enforcement programs. NTEU strongly opposed these unwise cuts to the IRS budget. The bill also would provide \$1.4 billion for the Securities and Exchange Commission, \$300 million less than the Administration's request and \$63 million less than the FY2014 appropriation.

Passed 228-195. NTEU Position: NO

UNITED STATES SENATE

NTEU Voting Record -- 113th Congress, 2nd Session (2014)

Senate Vote 1 - H J Res 106: Fiscal 2014 Continuing Appropriations - Passage

January 15, 2014 - Passage of the joint resolution that would provide continuing appropriations for government operations through Jan. 18, 2014, reflecting an annual discretionary level of about \$986.3 billion. This prevented another government shutdown until Congress could pass an Omnibus Appropriations bill.

Passed 86-14. NTEU Position: YES

Senate Vote 2 - HR 3547: Fiscal 2014 Omnibus Appropriations - Motion to Concur

January 16, 2014 - Motion to concur in the House amendment to the Senate amendment to the bill that would provide about \$1.1 trillion in discretionary appropriations in fiscal 2014 for federal departments and agencies covered by the 12 unfinished fiscal 2014 spending bills. The Omnibus would provide agency funding through the end of the fiscal year.

Motion agreed to 72-26. NTEU Position: YES

Senate Vote 3 - S 540: Debt Limit Extension - Motion to Concur

February 12, 2014 - Motion to concur in the House amendment to the bill that would suspend the current statutory limit on federal borrowing authority for one year, through March 15, 2015.

Failure to raise the debt ceiling may have left the federal government unable to pay salaries and benefits for federal employees.

Motion agreed to 55-43. NTEU Position: YES

Senate Vote 4 - S 2199: Equal Pay - Cloture

April 9, 2014 - Motion to invoke cloture (thus limiting debate) on the motion to proceed to the bill that would require employers, including the federal government, to demonstrate that wage gaps between men and women with similar qualifications and in similar jobs have a business justification. It would prohibit employers from retaliating against employees who share salary information and authorize the Labor secretary to seek additional compensatory or punitive damages in a sex discrimination action.

Motion rejected 53-44. NTEU Position: YES

Note: Three-fifths of the total Senate (60) is required to invoke cloture for legislation.

Senate Vote 5 - S 2223: Minimum Wage Increase - Cloture

April 30, 2014 - Motion to invoke cloture (thus limiting debate) on the motion to proceed to the bill that would increase the federal minimum wage from \$7.25 to \$10.10 by 2016.

Motion rejected 54-42. NTEU Position: YES

Note: Three-fifths of the total Senate (60) is required to invoke cloture for legislation.
