## Telework Survey Opens; Tell Us Your Story

NTEU refuses to back down when it comes to the telework benefits HHS is working to eliminate. And we need every voice to help us.

Your input is invaluable in gathering accurate data on the impact of limiting telework. Please take [our brief survey](#) (four minutes or less) to help us learn more about how telework changes will affect your working life.

## Workplace Resources: Helping You Exercise Your Rights

You are not at the complete mercy of management, and NTEU is giving you resources to get informed and educated to exercise your rights. [Visit our HHS page](#) to download our one-page guides outlining HHS' ongoing obligations to you as employees. Guides are available on:

- HHS' obligation to establish and communicate performance standards before employees are held accountable for the standards.
- Your right to challenge an unfair performance rating.
- Your right to performance feedback and tips for ensuring fair ratings at the end of the rating period.

Be sure to share this critical information with your colleagues! And check back for more guides on telework and leave.
