

We are NTEU

NTEU proudly represents federal employees in 35 federal agencies and departments. Since 1938, NTEU has been a vocal advocate for federal employees as we work to protect, promote and expand their rights. By standing together, NTEU members have a stronger voice in fighting for fair pay, a secure retirement, affordable health benefits and the tools and resources to do their jobs.

Our Members

Throughout the federal government, NTEU-represented employees in hundreds of different positions provide the vital services that keep America running and thriving. We proudly represent law enforcement officers, scientists, attorneys and cybersecurity experts. Our members are revenue officers, food inspectors, bank examiners, park rangers and the list goes on.

What We Do

NTEU is on the front lines securing higher pay raises, protecting and improving federal benefits, and ensuring employees have meaningful input in workplace decisions.

On Capitol Hill, NTEU has reversed proposed pay freezes, prevented harmful cuts to retirement and health care benefits, and after a 20-year fight, we won the first-ever paid parental leave program in the federal workforce. Members of Congress hear from us before making any decisions that impact the workplace.

NTEU negotiates innovative contracts that meet employees' needs, providing for alternative work schedules, telework, transit subsidies, performance awards, and much more. Highly-trained local leaders ensure management follows our contracts and treats employees fairly.

In federal courts, NTEU has won precedent-setting victories protecting and expanding federal employee rights and securing millions of dollars in back pay owed to employees.

We are the leading voice of federal employees in the media showcasing their work through news releases, social media and public service campaigns.

Where We Are

Our national headquarters is in Washington, D.C., with seven field offices and more than 200 local chapters across the country. In NTEU-represented workplaces, employees receive expert assistance from knowledgeable chapter leaders and experienced staff attorneys.

Leadership

Doreen Greenwald, NTEU National President

Doreen Greenwald, a frontline federal employee for 35 years, was elected National President in August 2023. As the union's top elected official, she is the spokesperson for the union representing NTEU with the media, Congress and agency leadership on issues important to union members and federal employees. Greenwald was previously the Special Assistant to the National President and was elected National Executive Vice President in 2022. She spent her federal career at the IRS, where she worked as a revenue officer and served for 14 years as president of NTEU Chapter 1 (IRS Wisconsin). Greenwald helped bargain multiple collective bargaining agreements between NTEU and the IRS.

Anand Muni, NTEU National Executive Vice President
