

RESULTS | NTEU's Telework Survey

NTEU surveyed its membership the week of April 12, 2021. Results are based on answers from 13,800 union members from dozens of federal agencies.

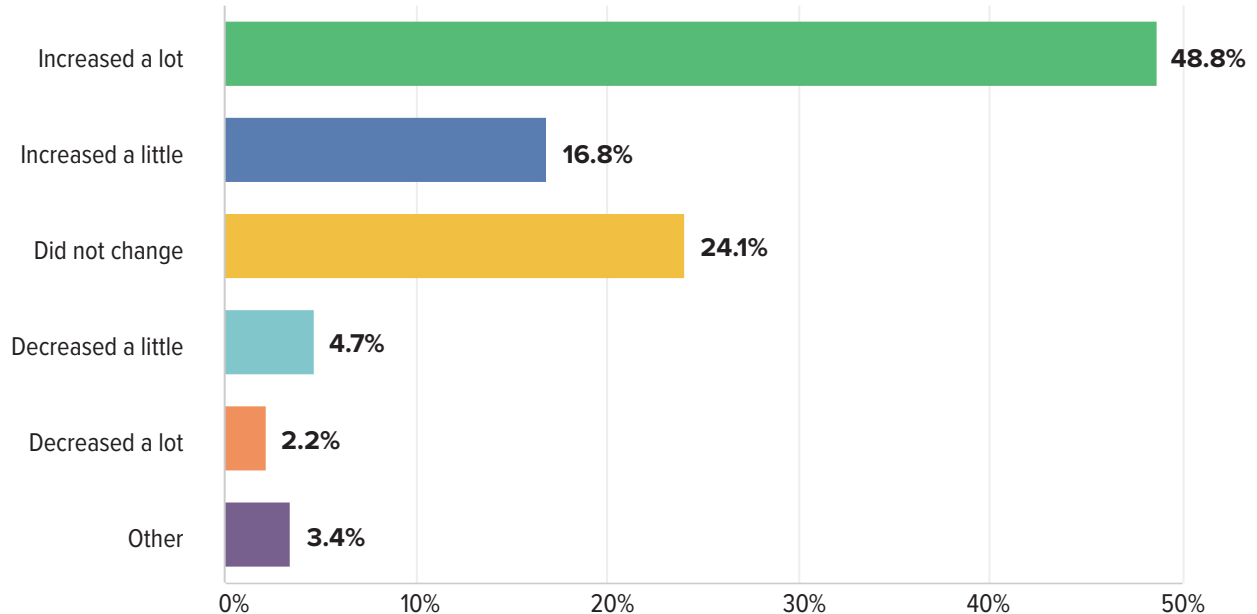

BEFORE the pandemic began in March 2020, the number of days I teleworked, on average:

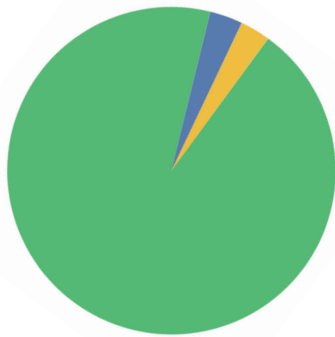

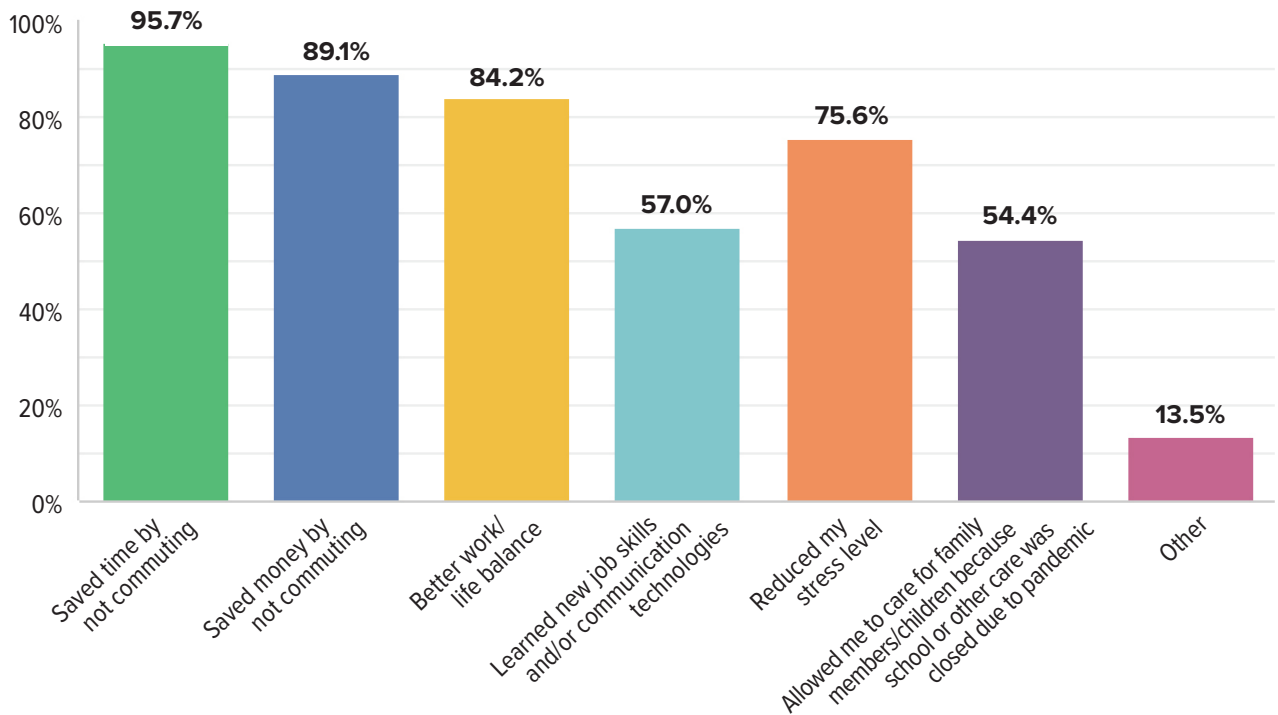

DURING the pandemic, the number of days I teleworked, on average:

While teleworking, my productivity:

In addition to health and safety, what were other benefits of teleworking?

After the pandemic, I would like the option of being able to continue to telework additional days per week.
